

REPORT NUMBER: E70R3101

Voter Alpha List

This report is a list of registered voters in alphabetical order. It includes names, residential addresses, party affiliations, and telephone numbers.

Data Source Parameters

The voter alpha list is derived from Delaware voter registration information. This information may be filtered so that you get the data from specific districts or from certain governmental municipalities. The voter alpha list can be ordered using the following data source criterion:

- ◆ Statewide
- ◆ Countywide
- ◆ Senatorial District
- ◆ Representative District
- ◆ Election District
- ◆ New Castle County Council District
- ◆ Kent County Levy Court District
- ◆ Sussex County Councilmanic District
- ◆ Wilmington City Council District

Voter Specific Options

You may also request that the data show only voter specific information. The options available for this report are:

- ◆ party affiliation (Democrat, Republican, Independent...)
- ◆ voting history date range (1992,1994, 1996...)*

The above options may be requested to make your report more customized for your needs. If an option is not specified, the report will include all data for that category by default.

Report type: half sheet

Cost: \$.50 per election district with a maximum charge of \$5.00 per representative district.

**This report will sort and print records on a specified voting year(s); however, the actual history will not be printed on the report.*

Voter Alpha List

This report is a list of registered voters in alphabetical order that have a minority party affiliation only. It includes names, residential addresses, election districts, representative districts, party affiliations, the past 3 voting histories for the general and primary elections, ages, and registration dates.

Data Source Parameters

The voter alpha list is derived from Delaware voter registration information. This information may be filtered so that you get the data from specific districts or from certain governmental municipalities. The voter alpha list can be ordered using the following data source criterion:

- ◆ Statewide
- ◆ Countywide
- ◆ Representative District
- ◆ Election District

Voter Specific Options

You may also request that the data show only voter specific information. The option available for this report is:

- ◆ minority party affiliation

The above option may be requested to make your report more customized for your needs. If an option is not specified, the report will include all data for that category by default.

Report type: full sheet

Cost: \$.25 per page for individual parties. \$5.00 per report for all minority parties

REPORT NUMBER: E70R5801

Voter Alpha List

This report is a list of new voter registrations. This report includes names, residential addresses, election districts, representative districts, senatorial districts, birth dates, registration methods, party affiliations, and registration dates.

Data Source Parameters

The new voter registration list is derived from Delaware voter registration information. This information may be filtered so that you get the data from specific districts or from certain governmental municipalities. The new voter registration list can be ordered using the following data source criterion:

- ◆ Statewide (broken down by county)
- ◆ Countywide
- ◆ Representative District
- ◆ Election District

Voter Specific Options

You may also request that the data show only voter specific information. The options available for this report are:

- ◆ party affiliation (Democrat, Republican, Independent...)
- ◆ registration data range (mm/dd/yy to mm/dd/yy)
- ◆ registration method (office, mail, mobile...)

The above options may be requested to make your report more customized for your needs. If an option is not specified, the report will include all data for that category by default.

Detail Voters List

This report is a list of registered voters in alphabetical order. It includes names, residential addresses, election districts, representative districts, and senatorial districts of registered voters. It also includes the past 3 voting histories for the general and primary elections. Additionally, party affiliations, registration dates and birth dates are shown on this report.

Data Source Parameters

The voter alpha list is derived from Delaware voter registration information. This information is only available in a countywide format.

Voter Specific Options

You may also request that the data show only voter specific information. The options available for this report are:

- ◆ party affiliation (Democrat, Republican, Independent...)
- ◆ voting history date range (1992, 1994, 1996...)

The above options may be requested to make your report more customized for your needs. If a party affiliation is not specified, the detail voters list will include all registered voters regardless of their party affiliation. Additionally, if a voting history year is not specified, then all registered voters will be included in the report by default.

REPORT NUMBER: E70R3001

Voter Street List

This report is a list of registered voters in street order. It includes names, residential addresses, party affiliations, and telephone numbers.

Data Source Parameters

The voter street list is derived from Delaware voter registration information. This information may be filtered so that you get the data from specific districts or from certain governmental municipalities. The voter street list can be ordered using the following data source criterion:

- ◆ Statewide
- ◆ Countywide
- ◆ Senatorial District
- ◆ Representative District
- ◆ Election District
- ◆ New Castle County Council District
- ◆ Kent County Levy Court District
- ◆ Sussex County Councilmanic District
- ◆ Wilmington City Council District

Voter Specific Options

You may also request that the data show only voter specific information. The options available for this report are:

- ◆ party affiliation (Democrat, Republican, Independent...)
- ◆ voting history date range (1992, 1994, 1996...)

The above options may be requested to make your report more customized for your needs. If an option is not specified, the report will include all data for that category by default.

Report type: half sheet

Cost: \$.50 per election district with a maximum charge of \$5.00 per representative district.

**This report will sort and print records on a specified voting year(s); however, the actual voting history will not be printed on the report.*

REPORT NUMBER: E70R2501

Voter Street List

This report is a list of registered voters in street order. It includes names, residential addresses, election districts, representative districts, party affiliations, and registration dates.

Data Source Parameters

The voter street list is derived from Delaware voter registration information. This information may be filtered so that you get the data from specific districts or from certain governmental municipalities. The voter street list can be ordered using the following data source criterion:

- ◆ Statewide
- ◆ Countywide
- ◆ Senatorial District
- ◆ Representative District
- ◆ Election District
- ◆ New Castle County Council District
- ◆ Kent County Levy Court District
- ◆ Sussex County Councilmanic District
- ◆ Wilmington City Council District

Voter Specific Options

You may also request that the data show only voter specific information. The options available for this report are:

- ◆ party affiliation (Democrat, Republican, Independent...)
- ◆ voting history date range (1992, 1994, 1996...)

The above options may be requested to make your report more customized for your needs. If an option is not specified, the report will include all data for that category by default.

Report type: full sheet

Cost: \$2.00 per election district

**This report will sort and print records on a specified voting year(s); however, the actual voting history will not be printed on the report.*

REPORT NUMBER: E70R5701

Voter Street List

This report is a list of registered voters in street order. It includes names, residential addresses, election districts, representative districts, and senatorial districts. It also contains party affiliations, voting history for the past 3 general and primary elections, ages, and registration dates.

Data Source Parameters

The voter street list is derived from Delaware voter registration information. This information may be filtered so that you get the data from specific districts or from certain governmental municipalities. The voter street list can be ordered using the following data source criterion:

- ◆ Statewide
- ◆ Countywide
- ◆ Senatorial District
- ◆ Representative District
- ◆ Election District
- ◆ New Castle County Council District
- ◆ Kent County Levy Court District
- ◆ Sussex County Councilmanic District
- ◆ Wilmington City Council District

Voter Specific Options

You may also request that the data show only voter specific information. The options available for this report are:

- ◆ party affiliation (Democrat, Republican, Independent...)
- ◆ voting history date range (1992, 1994, 1996...)
- ◆ election type (general, primary...)

The above options may be requested to make your report more customized for your needs. If an option is not specified, the report will include all data for that category by default.

Compact Disc

The Compact Disc contains voter registration information and uses the electronic record file layout.

Data Source Parameters

The Compact Disc is derived from Delaware voter registration information and includes all statewide records. The electronic record file layout (see page 26) shows the format and the kind of data shown on the disc. The transaction codes associated with each electronic record (see page 27) reflect the most recent activity for each voter registration record.

Report type: 1 compact disc

Cost: \$250.00 per run.

Electronic Record File Layout

Struct	Field Name	Field Type
1	Last_Name	A25
2	First_Name	A15
3	Initial	A1
4	Suffix	A3
5	Phone	A7
6	House	A15

The date field consists of the date of the action associated with the transaction code in the Election System database.

REPORT NUMBER: N/A

Diskettes

A diskette that contains voter registration information extracted from the compact disc. The diskette has the same layout as the compact disc and comes in a DBF format.

Data Source Parameters

The information on the diskette is derived from Delaware voter registration information. This information may be filtered so that you get the data from specific districts or from certain governmental municipalities. The diskettes can be ordered using the following data source criterion:

- | | |
|---------------------------|---------------------------------------|
| ◆ Statewide | ◆ New Castle County Council District |
| ◆ Countywide | ◆ Kent County Levy Court District |
| ◆ Senatorial District | ◆ Sussex County Councilmanic District |
| ◆ Representative District | ◆ Wilmington City Council District |
| ◆ Election District | |

Report type: 3.5" diskette

Cost: \$2.00 per election district

Electronic Record File Layout

Voter Specific Options

You may also request that the data show only voter specific information. The options available for this report are:

- ◆ party affiliation (Democrat, Republican, Independent...)
- ◆ voting history date range (1992, 1994, 1996...)*

The above options may be requested to make your report more customized for your needs. If an option is not specified, the report will include all data for that category by default.

Report type: self adhesive labels

Cost: 2.5 cents per label

**This report will sort and print the records on a specified voting year(s); however, the actual voting history itself will not be printed on the report.*

Party Tabulation

This report is a party tabulation of majority parties only (Democrat and Republican). Minority parties are tallied together under the category “All Others”. (For a minority party breakdown, see page 35 Report #E70R2001.)

Data Source Parameters

The party tabulation is derived from Delaware voter registration information. This information may be filtered so that you get the data from specific districts or from certain governmental municipalities. The party tabulation can be ordered using the following data source criterion:

- ◆ Statewide (broken down by county)
- ◆ Countywide
- ◆ Senatorial District
- ◆ Representative District
- ◆ Election District
- ◆ New Castle County Council District
- ◆ Kent County Levy Court District
- ◆ Sussex County Councilmanic District
- ◆ Wilmington City Council District

Voter Specific Options

You may also request that the data show only voter specific information. The options available for this report are:

- ◆ party affiliation (Democrat, Republican)
- ◆ prior date specific

The above options may be requested to make your report more customized for your needs. If an option is not specified, the report will include all data for that category by default. Additionally, if a prior date is not specified, the report will include all data using the current date.

Report type: full sheet

Cost: \$.25 per page with a maximum charge of \$5.00 per report

Polling Place List

This report is a list of polling places. It includes election districts, representative districts, and senatorial districts that the polling place services. New Castle County Council districts, Kent County Levy Court districts, Sussex County Councilmanic districts, and Wilmington City Council districts are also shown depending on the location of the polling place. This list contains the name of the facility, the ballot number assigned to the polling place, and the physical address.

Data Source Parameters

The polling place list is derived from Delaware voter registration information. The Polling Place List is a statewide list and is available with or without the physical addresses of the polling places.

Report type: full sheet

Cost: no charge

*This report is subject to change due to the availability of polling places during an election cycle.
